

**SCI220 – Foundations of Musical Acoustics
Cogswell Polytechnical College
Fall 2008**

**Week 3 – Homework
Problem set due 09/16, lab due 09/18**

Exercises

Do exercises 1 and 2 from chapter 14, section 14.5– Examples, Experiments and Questions. (Fundamentals of Music Acoustics)

Lab Assignment

1. Finish Lab 2
2. Write up a 1–2 page report on our guitar study.

Note: group work is acceptable and recommended, if and only if, you write your own homework to submit. Remember to show your work on the problem sets and submit all of your data for the lab.
