Re: Synergy of Crumar

Dear Mr. Reimers:

We have learned from Mr. Kato of Yamaha R & D Studio that you are prepared to investigate the possibility of infringement of the FM patent by the digital synthesizer "Synergy" made by Digital Keyboard Inc. which is the subsidiary of Crumar Corporation. We, too, are interested in this matter. However, before asking you the matter formally, we would like to know an estimated amount of cost which would be debited against us from you in connection with the above investigation. Would you kindly inform us of it?

Sincerely yours,

Maki KAMIYA
