Dear Mr. Shimizu:

I'm responding to your letter of February 14, 1984, to Professor Chowning. In that letter you expressed interest in the FM technology of Professor Chowning. We have obtained patent protection for the technology. Our exclusive licensee is the Nippon Gakki Co. of Hamamatsu.

In respect of your ability to use the technology, I believe there is some potential. I recommend you directly contact

Mr. Maki Kamiya
Chief, Patent Department
