Re: Stanford Docket S88-014, "Radio Drum Controller"

Dear Mr. Kakehashi:

Thank you for your facsimile of April 5, 1990, regarding the above referenced technology. I understand that you would like to have three Roland engineers (Mr. Matsuoka, whom I have had the pleasure of meeting at last year's CCRMA Affiliates meeting, Mr. Endo, and Mr. Majima) see a demonstration of the drum before entering into formal negotiations. I think this is a reasonable request and look forward to seeing Mr. Matsuoka again and meeting Mr. Endo and Mr. Majima in early May.

If I can be of any assistance before or during Mr. Matsuoka, Mr. Endo, and Mr. Majima's trip (i.e., hotels, ride to and/or from the airport, etc.), please let me know. Also, I would like them to join Professor Mathews, John Chowning, and me for lunch or dinner sometime during their visit at their convenience.

I look forward to our next communication.

Sincerely,

A handwritten signature in dark ink, appearing to read "Joe Koepnick".
