015-Jul-87 1511 PAT SDF site visit

To: JC, CC, BMR, JOS, LCS, AB

CC: HMK

Here is the proposed schedule for the SDF site visit on July 27. Presentations will be in the ballroom.

SDF participants

Ed Huddleson - attorney in SF

Lloyd Morrisett - president of Markle Foundation in NY, degree  
in psychology

Gen Donald Putt - (maybe, his health is not good), retired airforce

Ralph Tyler - president of SDF, first director of Stanford Behavioral  
Sciences Center

Arnold Beckman - president of Beckman Instruments, chairman of the board

Carl York, Roberta Ishihara

John Kerns, financial assistant SDF

Laura Martinez, assistant SDF

Presentations should be general and not overly technical, though some technical detail should be included. We are allocating 30 minutes for each person. Most of these people wear hearing aids.

9 am - 10:30

John Chowning

Introduction  
Voice Synthesis  
(include DK work)

Al Bregman

Auditory Organization  
(emphasize relationship of psychoacoustics and music)

Chris Chafe

Music and Physical Modeling  
(include XJS work)

COFFEE BREAK

10:45 - 12:45

Julius Smith

Engineering and physical modeling

Bernard Mont-Reynaud

Musical Analysis and Transcription

Leland Smith

Music Printing on Small Computers

John Chowning

Conclusion and CCRMA Future

short tour and lunch
