Dear John,

I wish to take this opportunity to inform you that I will be returning to Japan early April to take charge of new duties and responsibilities at our H.Q. in Hamamatsu City.

It has been a most pleasant and rewarding experience for me to have lived and worked in Europe for the past seven years. I have enjoyed your friendship and would like to express my sincere thanks for your courtesies and co-operation.

Mr Keiji (Keith) Taniguchi, my successor, has taken over my responsibilities. I would appreciate it if you would grant the same kindness and co-operation to him as you have extended to me.
