POST CARD

Dear
 CCRMA-San,

Conichiwa, Hai! Conference
 was dangerous -- many
 Samurai in Men's room.
 Interesting stuff, though could
 have used a Julius ~~Smith~~ Smith-type
 translator here + there. ~~Our~~ our
 paper well-received, I think. We saw
 Sony/Yamaha ~~receivng~~ new surprises
 as well as 14th c. zen gardens
 and much raw fish. Concert on Tuesday.
 We're ~~now~~ now in Kyoto going to see Bunraku
 puppets. Spent whole day with Yamaha
 guy -- quite amazing stuff. Details
 follow. Ran into Martin (remember
 him -- guy from Switzerland who was
 at CCRMA)? See you soon.
