

08:49:36 11/11/87 FROM CT.HER "Henry Riggs": Yamaha chair
Niels,

Thanks for the suggestion of a chair from Yamaha. I would
appreciate any further background. Has the subject come up in
discussions with Yamaha? Have they expressed any interest in a gift
to Stanford? Is Chowning a logical first holder of a Yamaha chair?
Who at Stanford might solicit such a gift?

Many thanks.

Hank Riggs
