Dear professor Chowning,

Thank you very much for your fax letter of August 3, 1991 attached with the campus map. Please allow our impolite lateness of our response.

Due to big change of our visit schedule except me to US, we are obliged to ask your favor again regarding the day of visit to you.
We would be very happy if you could be able to reset on September 14 (is it holiday ?) or AM of September 13, otherwise I will visit you alone according to former appointment of September 4.

We are looking forward to hearing from you again.
With very best wishes,

Sincerely,

Masaharu Kuwabara
