Dear professor Chowning,

Thank you very much for your fax letter of August 5, 1991 responding our inquiry about research of the biofeedback music system.

We would be very happy if we could visit you at CCRMA on September 4. Since this day is available for all of our visiting members, four persons in all. But I wonder if it can meet your convenience. Otherwise, I would like to personally visit you on a day of, hopefully from September 2 to 4, at most from September 2 to 7.
Please inform us of your best convenience.

Thank you very much for your assist and inviting us at CCRMA.
We are looking forward to hearing from you.
With very best wishes,

Sincerely,

Masaharu Kuwabara
