After returning to Japan we have been busy scheduling and finalizing the basic concepts of our research and development and moving to new office.

Fujimori and other young guys are going to visit USA and attending ICMC. They would like to visit CCRMA on Sept. 2 and discuss about technical terms for future musical instruments. Hiro Kato will make arrangements when he meets you, but please let me know if you and your colleagues are available on Sept. 2.

Telex and phone numbers of our new office:

phone: 0534602521

FAX: 0534602776
