Dear Yohei:

Thank you very much for the letter. I assume that my leg is healing, however, I won't know for sure until an appointment at the clinic later this week.

I certainly will take your suggestion and contact Mr. Mochida immediately regarding my coming to Japan. The report that we received is very encouraging and I would like to see first hand the prototype instrument.

Thanks again and I hope to be seeing you soon.

Best wishes,
