75004 Paris,
France

Dear David Bristow:

John asked me to let you know about housing arrangements for the summer. The cheapest and most practical thing we could find was the Manzanita Park apartments on campus. I've enclosed information for you. We have made a reservation and a deposit for you. Please let me know your arrival and departure dates and if this arrangement meets with your agreement.

Looking forward to seeing you.

Best wishes,

PW/hk
Encl.
