

Dear Lois -

We have invited two guest faculty from France to teach our summer workshops. As we are not able to pay them enormous salaries, we would like to arrange for them the least expensive living arrangements. We would appreciate therefore, your reserving two of the trailers for us, if they become available. We have enclosed the application and \$50 deposits. Can I assume that beyond the month minimum the rental fee is pro-rated?

Non-business - Elisabeth is happily in graduate school at UCSB - getting a degree in Ed. Admin. - she loves to teach but wants to make more money. Our two children are grown. & I have a third about to be born from my 2nd marriage - what a surprise!

CCRMA plans to move into the Knott in March. It is being refurbished and will be beautiful. Will invite you for a visit one we are in. 'till then - happy new year -
