Dear Mark:

As per our phone conversation CCRMA would like to borrow some gear for our summer workshop. CCRMA will pay for shipping charges YIC-CCRMA round trip. There are two back to back courses, two weeks each, beginning June 23rd and ending July 18. We would like to have the gear by June 18 in order to set up for the class.

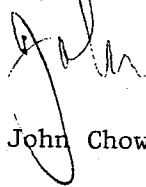

I have conferred with Gary Leuenberger regarding the best setup and this is what we would like to have:

<u>Item</u>	<u>number</u>
DX7	4
QX21	7
TX7	7
CX5M	7
MCS2	7
MEP4	1
SPX90	2

Gary said the last item is hot and scarce but would be good to have if you can find one or two.

Please let me know if there are any questions.

Sincerely,

John Chowning
