MEMORANDUM TO THE RECORD

Subject: DOREEN TOWNSEND

7849821

Prepared by: Donna Lawrence *dl*

Date: August 6, 1986

I just received a call from John Chowning who informed me that he has recently been in touch with Doreen. Doreen told him that she has decided to give a total of \$200,000 to the Center for Computer Research in Music and Acoustics. This was in response to our solicitation for \$600,000.

John had wanted to pursue further the possibility of a gift of property in Napa and Sonoma Counties. She apparently seemed quite disinterested in this and felt that she had been burned in this type of a deal with Cal previously. She wanted this to be a cash gift. She is writing one check now and will pay the rest off before the end of the year.

John said that I should give her a call sometime when I am up in the City to stop in and say hello. I will although I continue to think that the only person at Stanford she particularly wants to talk to is John Chowning.
