Dear John:

Thank you very much for your telegram celebrating Nishimoto's wedding. It was very well written and safely arrived in time.

As I scheduled, it was read by Mr. Hideo Yamada at the climax moment of his wedding party, for which all forty people attended there applauded like a storm.

The party ended very successfully owing to your telegram.

Nishimoto is now at the ski station with Yoshiko spending his honey-moon.

Thank you again and I always look forward to seeing you again.

Avec mes amitiés

1
