Mr. George Olczak  
Producer/Director  
Arts and Sciences Productions  
66 Newell Road, Suite A  
Palo Alto, CA 94303

Dear George:

Wynton and I are pleased with the progress that has been made with the "Computer Jam" project. The recent information that you provided is a helpful, structural and conceptual outline. I have reviewed this information with Wynton and he is looking forward to getting started.

Please provide me with a detailed budget for the project and keep us apprised of any new developments.

Best regards,

Vernon H. Hammond III  
Partner
