Dear Mr. Hasegawa:

Thank you very much for the letter and for the tape of Sal Gallina using the new controller. I agree that the musical expression and phrasing is very different than that possible with keyboards.

Whether or not I am able to be present at the NAMM show, I hope that you will be able to visit us in our new facility in January. Mr. Gallina is very welcome, as well.

Thank you for any arrangements you are able to make on our behalf regarding a piano for the CCRMA studio.

With best regards,

John Chowning

Dear George:

This is the letter that did not get sent.  
~~When~~ As we have talked about CCRMA's piano recently, I need not respond to your second letter.  
I enjoyed seeing you last week.

Sincerely,

John 12 Nov 86
