Dear Dave:

I was delighted to get your letter of December 13. I'd be delighted to have your son David Woodley visit here at any time that is convenient to him. It would be best if he could come before the middle of January, when John Chowning, the Director of CCRMA is leaving for six months abroad, for it is desirable that he meet John.

Bill Hewlett's son, Walter, has already been here, and it looks as if he will collaborate in work on a project here that is close to his interests. We heard a good deal about your son from him.

With Season's Greetings!

Sincerely,

John R. Pierce
