Dear Professor Chowning:

This will acknowledge your letter of October 28 to Mr. John Sawyer, in which you inquire about the possibility of receiving support for the University's Center for Computer Research in Music and Acoustics.

I am sorry to have to tell you that the Foundation has no program currently in operation which would enable us to assist.

I regret the necessity for this discouraging reply and hope that you will find assistance from other sources.

Sincerely yours,

James M. Morris
