Dear Mr. Boulez:

On behalf of Mr. A. A. Heckman, President of Jerome Foundation, I am replying to your letter of January 18. I have received another letter in support of the Center for Computer Research in Music and Acoustics at Stanford University. While I appreciate your letter and your endorsement of the department and John Chowning, I must advise you that it is not possible for Jerome Foundation to respond favorably to a request for assistance.

The Foundation funds organizations within the state of Minnesota, adjoining Midwest states and New York City. In the area of music and within the stated geographic area, the Foundation concentrates on the support of emerging composers of promise.

Sincerely,

  
Cynthia A. Gehrig  
Executive Director
