Dear Sr. Da Cuna:

Your check for \$2,000 has been received and deposited in a special University account to be used for the purchase of Portuguese materials for the library.

Dr. Paul Kann, Curator of Romance Languages Materials, will make the selections and keep records of all acquisitions made from the Gulbenkian account. You will receive a report on these expenditures.

On behalf of the Stanford Libraries, I again thank you for the generous support of the Gulbenkian Foundation.

Cordially yours,

David C. Weber
Director
