Dear Mr. Chowning:

Upon consultation with my fellow directors, I am almost embarrassed to inform you that, in view of our budgetary limitations, we cannot go beyond a token expression of our interest in and admiration for your work and that of your associates.

Please accept the one-time grant of \$1,000 in the spirit of goodwill in which we are sending it. You will receive the check directly from Harvard.

Best wishes from Luise Vosgerchian, Gunther Schuller and myself.

Sincerely,

  
Paul Fromm
