France

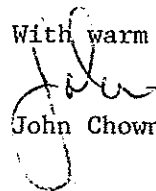

Dear Pierre:

First, the response from Rockefeller is hopeful for 1981 and we will work something out with them, I believe. Thanks, for your help.

Second, we must still get some funding for this year and so are writing to additional foundations. Would it be possible for Nancy or Astrid to send the same letter (copy enclosed) to the addresses below. We will see how this "shotgun" approach works.

I thank you once more.

With warm regards,

John Chowning
