Haiku

sempre liberamente **
harmon mute - stem out
oscuro

\( \text{stem in} \quad \text{stem out} \ \quad \text{stem in} \)

jonathan berger

* Once started the MSP PD patch starts the accompanying CD and processes live trombone for remainder of piece, when the END button is depressed. See notes on
** Play freely without unless explicitly meterd. Dotted bar lines are placed to give a sense of phrasing only.
