

# Random Acts of Knowledge

Colin Schultz

See where a little extra knowledge can take you

## Learn something new every day

Topic
Information about the topic, compiled by a human or AI, complete with citations and further reading

Each day you are greeted with an article on a new random topic. The information is organized by complexity, so only as far as feels comfortable and interesting.

## Retain your knowledge

Daily quizzes test your retention of the information you learned on *previous* days, encouraging you to find relevance in the random topics.

Quiz
<input type="radio"/> Option A
<input type="radio"/> Option B
<input type="radio"/> Option C
<input type="button" value="Submit"/>

## Tell us what works for you

Feedback
<input type="checkbox"/> Accessibility
<input type="checkbox"/> Engagement
<input type="checkbox"/> Relevance
<input type="button" value="Submit"/>

Optional feedback is requested with every action. We want to know what you like to learn about, and how you are using it in your life.

## Features

- Text-to-speech so you can learn on the go
- Customize the type of information you want to see
- See statistics about what topics you learn best

You'll be surprised to see how exposure to different fields changes how you view the world. Go forth and learn!
