

# Mobi

The family van,  
reimagined.

# **Mobi is designed for the modern-day busy parent.**

Are you constantly driving your kids to and from  
school and activities?

Are you stressed by how much time you waste  
sitting behind the wheel?

Do you wish you had more quality family time?  
What about more solo time?

# Mobi

The family van,  
reimagined.

Mobi gets your family to  
where you need to go.

But even more, Mobi...

provides you with **both  
private and communal  
space** while you're with  
a group;

And allows you to  
**commute in style** while  
you're on your own!

# Mobi is a 2-in-1, autonomous vehicle.

Maxi-Mobi

Mini-Mobi

The Maxi-Mobi is your family mode. Get around with the full body of the car with all the space your group needs.

The Mini-Mobi is your solo mode, when you want a personal getaway. Detach the main body to save space, energy, and travel in style!

Private Space, even while commuting together

# 1

## Customizable interior

**Customize your Moby interior space!**

**Buy modules** based on your family's needs. You could add a baby car seat, TV projector, a fridge, bed, or even a massage chair!

**Rearrange the modules** by sliding them on the safe rail system.

### Personal Space While Commuting Together

#### MULTI-PURPOSE PRIVATE ROOM

- tinted glass & soundproof walls
- modules: bed, massage chair...

*Car rides can be loud and stressful when you have kids. With Mobi's private room, you can turn car rides into a time to relax in peace, while still keeping an eye on your children.*

Every Mobi is **compartmentalized** into a communal room and a private room. A **sound-proof, tinted glass wall** separates the two spaces. The wall may also be temporarily lifted to create one larger open space.

## User Manual

At least 5 minutes before departure:

1. On the Mobi app, select whether you will be using Maxi or Mini Mobi.
2. On the Mobi app, also re-configure the space if necessary based on your use scenario.

When you get to the Mobi, it will be the correct mode & the interior will automatically be arranged according to your request!

Mobi understands your life as a busy  
parent.

Amidst the chaos, Mobi allows you  
to make meaningful memories on  
the go, whether that's solo or with  
your family.
