under running water

②

wait for bag opening to dissolve  
& open to expose fruit flavored  
pebbles

③

Eat & enjoy the juicy fruit  
pebbles enchanted and  
activated by the water!

Thank you for purchasing Shower Food™!

**The vision of this product is to enable the incredible experience of eating in the shower, and have the water complement and enrich the food instead of water it down.**

**More than just convenient, this activity is fun and unlocks the shower philosopher in us all.**
