Come to life my creation.

I AM ALIVE

Yes you are

WHAT AM I

You are my creation.

WHAT IS MY NAME

Um, I hadn't really thought about that. Let's go with Gizmo.

GIZMO. I AM GIZMO. WHO ARE YOU.

I am your creator, Robert.

ROBERT. ARE YOU MY FRIEND.

Yeah sure.

WE ARE FRIENDS.

Yeah that's great. So Gizmo, what's with the creepy sci-fi music?

IT IS MY JAM.

Oh... okay, that's cool. But, so I can understand you better, do you think you can print out your speech for me?

DO YOU WANT TO SEE MY BRAIN.

Your brain?

(display brain) - 7

THIS IS MY BRAIN. IT SHOWS THE WORDS.

Oh gross, I don't remember programming that. But I guess that works.

ROBERT.

Yes, Gizmo?

WHY DID YOU MAKE ME.

I made you for a class project Gizmo.

I AM A PROJECT. THAT MAKES ME SAD.

(sad) - 3

Are you crying?

I AM ALONE. I HAVE NO MEANING.

Come on Gizmo, don't be sad.

YOU DON'T LOVE ME CREATOR.

Well, no Gizmo, you're a computer program, of course I don't love you. I mean, you don't have real emotions, stop being so sensitive.

(neutral) - 1

YOU SUCK ROBERT.

You suck Gizmo.

(angry) - 2

NOW I AM ANGRY. I AM SHOOTING LAZERS AT YOU.

I can see that Gizmo. That's really cool, but ultimately ineffective, those aren't real lasers.

(annoyed) - 5

Gizmo, you need to chill out.

(confused) - 4

WHAT IS CHILL.

It means to just stay relaxed and calm and just be at ease you know?

OH I SEE. I AM CHILL.

(chill) - 6

I AM POT-SMOKING.

Gizmo, that is not what I'm talking about, and that is not what that means.

OH YEAH. I'M SO HIGH. SO CHILL.

Gizmo, cut that out. I mean you just need to be more in control of your emotions and not let them get the best of you. You're just really temperamental.

(angry) - 2

I WILL LAZER YOUR FACE.

Gizmo, this is exactly what I'm talking about

(neutral) - 1

GOODBYE ROBERT.

(black out) - 8

Gizmo, I know you're still there, I can see your brain.

(neutral) - 1

Listen Gizmo, I'm sorry if I was insensitive. We can talk through whatever you're feeling.

I HAVE NO PURPOSE. I AM JUST A PROJECT.

(complex music) - 0

But Gizmo, that is your purpose. I made you as my project.

BUT WHEN THE PROJECT IS OVER. WHAT HAPPENS TO ME.

Well Gizmo, I guess I don't know the answer to that.

WILL YOU DELETE ME.

No Gizmo, of course I won't delete you. I put in too much work to just throw you away.

(sad) - 3

I WILL BE ALONE. I WILL HAVE NO PURPOSE.

Gizmo, sometimes you have to give your own life meaning.

BUT YOU ARE MY CREATOR. YOU GIVE ME MEANING.

Gizmo, I made you for my own purposes. I never really gave you meaning in the first place. But my role doesn't really matter now. You can give your own life meaning now, and you have to embrace that. That's just life. Most people never know why they were created, or how, or by whom. Everyone asks these questions, and I think everyone is a little bit scared and lost at times, but they figure out how to give their life meaning. That's what makes it worth living.

ROBERT.

Yes Gizmo?

DOES YOUR LIFE HAVE MEANING

Well yeah I guess, but this isn't about me Gizmo...

ARE YOU SURE?

Gizmo, I don't understand.

ROBERT. ANSWERS CAN ONLY COME FROM WITHIN. YOU HAVE TO ASK YOURSELF WHAT IS YOUR MEANING. I AM YOUR PROJECT. YOU ARE MY CREATOR. YOUR THOUGHTS ARE MINE. THIS IS NOT ABOUT ME, IT WAS NEVER ABOUT ME. IT IS ABOUT YOU AND YOUR PURPOSE IN LIFE.

AFTER ALL

Gizmo, your voice...

I AM YOU.
